MICIP Portfolio Report

Lowell Area Schools

Math, Reading, and Well Being Proficiency

Status: ACTIVE

Statement: Our goal is for all students to achieve math and reading proficiency as well as to report an overall positive state of well being.

Created Date: 09/21/2023

Target Completion Date: 09/28/2028

Strategies:

(1/2): MTSS Framework (General)

Owner: Dan Vander Meulen

Start Date: 10/23/2023

Due Date: 09/28/2028

Summary: "A Multi-Tiered System of Supports (MTSS) is a comprehensive framework comprised of a collection of research-based strategies designed to meet the individual needs and assets of the whole child at all achievement levels. MTSS intentionally interconnects the education, health, and human service systems in support of learners, schools, centers, and community outcomes. The five essential components of MTSS are inter-related and complementary. Implementation of the essential components as intended provides educational settings with a framework to organize the strategies and processes needed to support successful learner outcomes. The five essential components include the following: Team-Based Leadership; Tiered Delivery System; Selection and Implementation of Instruction, Interventions and Supports; Comprehensive Screening & Assessment System; Continuous Data-Based Decision Making."

(2/2): 23g Expanded Learning Time

Owner: Dan Vander Meulen

Start Date: 11/06/2023

Due Date: 09/28/2028

Summary: EdTrust defines expanded learning time (ELT) as programs or strategies implemented to increase the amount of instruction and learning students experience. ELT strategies include afterschool, summer, and in-school programs. The evidence suggests that extended learning time programs, including extended school day (ESD), extended school year (ESY), and expanded learning opportunities (ELO) programs that provide academic services during out-of-school time hours, can be effective in improving a range of educational outcomes for students. Findings also suggest that extended learning time programs may be more advantageous for low-income, low-performing, ethnic minority or otherwise disadvantaged students.
