Red Arrow Robotics is pleased to announce the 1st Annual

Red Arrow Robotics Summer Boot Camp

Do you want to learn how to:

- Design robots?
- Build robots?
- Program robots?
- Drive robots?

Are you going into 6th grade next year?

If yes, this camp is for you!

Brought to you through the support of Lowell Area Schools and Lowell Light & Power and a generous grant from the City of Lowell.

A great opportunity to get ready for the Lowell Middle School FIRST Tech Challenge teams!

Red Arrow Robotics is offering a one-week summer camp for rising 6th grade students to learn about robotics, build robots, program robots and compete with robots.

- There are two sessions available, each for up to 24 participants:
  - Session 1 is July 14th to July 18th
  - Session 2 is July 21st to July 25th
- Camp runs from 9 a.m. to 4 p.m. each day.
- At the Red Arrow Robotics Build Space in the Lowell Light and Power Building, 127 N Broadway
- Cost is $75 and includes lunch each day and a camp t-shirt
  - Scholarships are available – contact bforney@lowellrobotics.org
- To register, scan (or click on) the QR code
- For questions, contact bforney@lowellrobotics.org
